I got some oranges over there.
Thanks
From the people in the next floor up.
BATAN..
They said "You always get along so well together, don't you?"
I wonder who they're mistaking us for
Because we're——
!

Who threw you away?
It was you.
Don't go out without telling me!
But you know, there's no way I would normally do something like this.
I just went out to get some cigarettes. Even though you look so mature ...
... that's just for show, huh?

Somehow it seems like the scratches on your back are increasing again
But don't worry.
I'll comfort you again.
"Something like this"?
It's strange isn't it? Me too.
Even though I well know all your good places.
Climbing onto someone like this
Despite not even knowing your name...
Ouch!
You don't learn, do you?
Mo?
..Jerk
